This webinar will discuss PPACA’s Play or Pay mandate and how to count employees for purposes of reporting and offering coverage. Counting employees is no longer as simple as 1-2-3, so to make sure you know how to properly count the appropriate employees, this webinar will review such topics as:

- Determining applicable large employer status
- Which workers to count and how to count the worker for large employer status
- Counting leased or staffing agency employees
- Full-time vs. part-time
- Handling new employees or employees whose hours change
- Measurement and stability periods
- Minimum value and affordability
- Transition Rules
- Documentation of benefit-eligible employees and hours

This webinar will help you determine your size and how to measure the hours in your workforce.
