The Service Contract Act outlines operational requirements for service contracts, making compliance for government contractors (both sub and prime) confusing and complex. This webinar will discuss when the Service Contract Act applies, who it covers, and how to remain in compliance.

This webinar will:

- Explain when the Service Contract Act applies
- Help determine who the Service Contract Act covers
- Identify executive orders that impact the Service Contract Act
- Outline benefits under the Service Contract Act
- Explain how health care reform impacts Service Contract Act

This 90-minute basic webinar will help you if the Service Contract Act applies to you, and how to comply with its rules.
