Federal Requirements for Fully Insured and Self-Funded Plans

Updated August 2020

A plan sponsor's requirements under federal law will vary depending on factors such as group health plan design, size, grandfathered status, and whether the plan is fully insured or self-funded.

The lists below highlight the main federal requirements that apply when a plan is fully insured and when a plan is self-funded.

Plan Documents

Fully Insured Plans	Self-Funded Plans
• Cafeteria plan document if contributions are run through a cafeteria plan • Summary of Material Modification, if the plan is subject to ERISA • Summary Annual Report, if the plan is subject to ERISA and required to file a Form 5500 • Summary of Benefits and Coverage, if the plan is subject to ERISA • Plan document and Summary Plan Description (SPD) (or combination plan document/SPD or wrap plan document), if the plan is subject to ERISA	• Cafeteria plan document if contributions are run through a cafeteria plan • Summary of Material Modification, if the plan is subject to ERISA • Summary Annual Report, if the plan is subject to ERISA and required to file a Form 5500 • Summary of Benefits and Coverage, if the plan is subject to ERISA • Plan document and Summary Plan Description (SPD) (or combination plan document/SPD or wrap plan document), if the plan is subject to ERISA

Affordable Care Act

Fully Insured Plans	Self-Funded Plans
• Employer shared responsibility provisions if employer has 50 or more full-time or full-time equivalent employees (50 FTEs) • Elimination of pre-existing condition limitations	• Employer shared responsibility provisions if employer has 50 or more full-time or full-time equivalent employees (50 FTEs) • Elimination of pre-existing condition limitations

Affordable Care Act (continued)

Fully Insured Plans	Self-Funded Plans
