“ERISA Plan Documents: What Employers Need to Know”

<https://www.youtube.com/watch?v=aRZRYwQc33w>

DESCRIPTION

The ERISA plan document requirements can be confusing for many employers. In this webinar, we will dig into the ERISA written plan document requirements and discuss the documents employers need to adopt and maintain to satisfy these seemingly complex regulations. We will also discuss how to distribute plan information to participants and beneficiaries in a clear, concise format and provide some best practices for compliance.

This webinar will help you answer the following questions:

- Which employers must have ERISA plan documents?
- What information needs to be included?
- What are best practices for preparing and distributing plan documents?
- What are the pros and cons of having an ERISA wrap document?
- Who needs to have a cafeteria plan document?
- What information needs to be included in a cafeteria plan document?

This 60-minute intermediate-level webinar will help employers understand the ERISA plan document requirements and gain valuable information on best practices for complying with these requirements.

PRESENTER

Carl Pilger is of counsel in the Atlanta office of Fisher Phillips and a member of the firm's Employee Benefits Practice Group. He advises clients with respect to all aspects of employee benefits and executive compensation, with an emphasis on health and other welfare benefit plans, cafeteria plans, consumer-driven health care options and employee wellness programs.

Please feel free to watch/listen to this whenever it is convenient for you and your staff. It will be available for you to view for the next 11 months.
