

Tuesday, November 14th UBA Employer Webinar Series

Compliance Considerations for Self-Funding

DESCRIPTION

View this month's webinar to gain an understanding of the rules and regulations that govern self-insured health plans.

[CLICK HERE
TO VIEW WEBINAR](#)

Gain insights into:

- The plan exemption from state insurance laws
- The Affordable Care Act and Consolidated Appropriations Act reforms that apply and how they differ from fully insured plan requirements
- Required plan documents, annual notices, and non-discrimination tests

Be able to answer these questions:

- Which fees and taxes will a plan sponsor be responsible for paying?
- How can HIPAA protect subscribers' health data?
- Which government filings must be submitted?

PRESENTER

Brian Bartels leads the Kutak Rock national health and welfare benefits practice. He advises clients on group health plans design and administration, wellness programs, the Patient Protection and Affordable Care Act, HIPAA, ERISA, cafeteria plans, health savings accounts, and other health and welfare plans. Brian also advises clients on employee benefit issues in the context of mergers, acquisitions, and divestitures.
