Key takeaways:

- Understand employer obligations in safeguarding protected health information (PHI), complying with HIPAA's privacy and security rules, and preparing for potential data breaches.
- Learn the roles and responsibilities of insurance carriers, TPAs, and PBMs.
- Gain insight into cybersecurity best practices and steps to take in the event of a breach.

PRESENTER

John E. Schembari leads Kutak Rock's national employee benefits and executive compensation group. He works with private, public and governmental employers on qualified and nonqualified retirement plans, employee stock ownership plans, insured and self-funded health plans, executive and incentive compensation programs, and other equity-based compensation arrangements. John is a nationally-recognized speaker on employee benefits, executive compensation, tax and privacy matters. In addition, he is a frequently-sought author and contributor to industry law journals, magazines and digital media outlets.

You're invited to the UBA Compliance Webinar Series on the second Tuesday of every month.
