

UBA Employer Webinar Series Tuesday, October 14th

The Evolving Role of Group Health Plan Fiduciaries and Plan Administrators

DESCRIPTION

View this webinar for an in-depth look at the ERISA fiduciary duties related to managing group health plans of all sizes and funding structures.

Key takeaways:

- Gain insight into the responsibilities of the plan administrator and their interaction with pharmacy benefit managers (PBMs) and third-party administrators (TPAs).
- Learn how to navigate the Gag Clause Prohibition on price transparency, oversee provider networks, and ensure HIPAA compliance.
- Understand conflicts of interest that could jeopardize the integrity of the health plan.

PRESENTER

John E. Schembari leads Kutak Rock's national employee benefits and executive compensation group. He works with private, public and governmental employers on qualified and nonqualified retirement plans, employee stock ownership plans, insured and self-funded health plans, executive and incentive compensation programs, and other equity-based compensation arrangements. John is a nationally-recognized speaker on employee benefits, executive compensation, tax and privacy matters. In addition, he is a frequently-sought author and contributor to industry law journals, magazines and digital media outlets.
